

Appendix II: Women Detained in Black Jails (Partial Data)

The table below lists case information for 163 women who have been detained in black jails between January 2009 and September 2014, according to data compiled by human rights groups, activists, and lawyers based in China.

If not listed with a detainee's name, the "Detention Location" includes her place of residence; for women detained in Beijing and another location, the second location is her place of residence. Some black jail locations could not be identified or confirmed.

Page numbers beneath detainee names indicate where a case is discussed in the report.
